To whom it may concern,

I am writing to express my interest in applying for a job in **(nombre del centro de ski)** during the next winter season. I would like to be considered to be a Barista or a Cafe Team Member **(ustedes pongan para el puesto al cual estén aplicando)** in order to continue working in a field that is comfortable and familiar to me. I believe my experience, knowledge, attention to detail and hospitality will make me the best candidate for any of the two positions.

As outlined in my curriculum vitae, which I have enclosed, I spent two winter seasons working in Sun Valley, a ski resort in the United States. During that time, I did all the activities related to a coffee house. My duties included preparing special coffees, keeping the cafe clean and tidy, and handling the cash machine, among others.

Besides that, I was employed as an English teacher in my country from February 2009 to December 2014. While working there, I developed different skills to deal with children and adults, and helped them learn and enjoy English.

Finally, I would like to highlight that I got two degrees and I did different courses **(si tienen algo extra podrían ponerlo acá)**, something you can find in the CV attached. In 2009, I got an Advanced Degree in Radio Production and, in 2014, I got a Bachelor of Arts in Audio Visual Communication.

I would be happy to supply you with further details should they be required. I hope you will consider my application and I look forward to hearing from you.

Yours faithfully,
